**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI ASHWINI KUMAR CHOUBEY)**

(a) to (c): Under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) setting up of 22 new AIIMS has been sanctioned. This includes 10 AIIMS sanctioned during 2017-18 or thereafter. Six of the approved AIIMS i.e. Bhopal, Bhubaneswar, Jodhpur, Patna, Raipur and Rishikesh are functional. Remaining 16 new AIIMS are in various stages of construction. State-wise location of these 16 AIIMS, date of their cabinet approval and approved cost is annexed.

In addition to 6 functional AIIMS, OPD services have been started in 6 AIIMS i.e AIIMS at Rae Bareli, Mangalagiri, Gorakhpur, Bathinda, Nagpur and Bibinagar. MBBS course has started in 12 AIIMS i.e AIIMS at Mangalagiri, Nagpur, Kalyani, Gorakhpur, Bathinda, Rae Bareli, Deoghar, Bibinagar, Guwahati, Bilaspur, Jammu and Rajkot.

(d) & (e): The construction work is in progress for AIIMS, Mangalagiri in Andhra Pradesh. Initially, there was some delay due to non-availability of sand for construction work. There was also some delay in completion of activities to be undertaken by the State Government, which included arrangement of water supply, storm water disposal drain, main approach road to campus and shifting of existing NDRF campus. Covid-19 pandemic also affected the progress of work.

Progress of all the ongoing projects under PMSSY is regularly reviewed with Executing Agencies and other stakeholders with a view to ensure their completion in a time-bound manner.
